

Course description form

Name of the course .1	
the Criminal investigation	
Course code .2	
IFJ 406/L	
Semester/year .3	
The system is annual	
Date this description was prepared .4	
2025-9-15	
Available attendance forms .5	
Number of study hours (total)/number of units (total) .6	
30	
Name of the course administrator (if more than one name is mentioned) .7	
الاسم: dhafer.khashan الأيمل: dhafer.khashan@mu.edu.iq	
Course objectives .8	
Preparing graduates who possess technical – .criminal investigation skills. Preparing graduates who have knowledge of – .the principles of forensic medicine Learn about the laws and instructions – related to the cognitive skills and emotional .domain and forensic medicine	Objectives of the study subject
Teaching and learning strategies .9	
.The lecture -1 .Discussion -2 .Brainstorming -3	The strategy\

.Self-learning -4	
.Weekly and monthly tests -5	
.Use means of clarification -6	

Course structure .10

Evaluation method	Learning method	Required learning outcomes	Name of the unit or topic	hours	the week
Discussion	lecture	The cognitive skills and emotional domain	Definition of the Criminal investigation	1	1
Discussion	lecture	The cognitive skills and emotional domain	Definition of investigator	1	2
Questions	lecture	The cognitive skills and emotional domain	Complaint	1	3
Discussion	lecture	The cognitive skills and emotional domain	Detecting crimes	1	4
Exam	lecture	The cognitive skills and emotional domain	Marking the crime scene	1	5
Discussion	lecture	The cognitive skills and emotional domain	Reveal the significance	1	6
Discussion	lecture	The cognitive skills and emotional domain	Open the grave	1	7

	Questions	lecture	The cognitive skills and emotional domain	Inspection	1	8
	Discussion	lecture	The cognitive skills and emotional domain	Certificate	1	9
	Discussion	Lecture	The cognitive skills and emotional domain	Interrogation	1	10
	Discussion	lecture	The cognitive skills and emotional domain	Recognition	1	11
	Exam	lecture	The cognitive skills and emotional domain	Fingerprints	1	12
	Discussion	lecture	The cognitive skills and emotional domain	Firearms	1	13
	Discussion	lecture	The cognitive skills and emotional domain	Criminal style	1	14
	Questions	lecture	The cognitive skills and emotional domain	Polygraph	1	15
	Use a blackboard	lecture	The cognitive skills and emotional domain	Definition of forensic medicine	1	16
	Discussion	lecture	The cognitive skills and emotional domain	Death and its signs	1	17

	Discussion	lecture	The cognitive skills and emotional domain	Definition of wounds	1	18
	Discussion	lecture	The cognitive skills and emotional domain	Types of wounds	1	19
	Use a blackboard	lecture	The cognitive skills and emotional domain	Burns	1	20
	Discussion	Lecture	The cognitive skills and emotional domain	Electrical injuries	1	21
	Discussion	Lecture	The cognitive skills and emotional domain	Choking	1	22
	Discussion	lecture	The cognitive skills and emotional domain	Miscarriage	1	23
	Discussion	lecture	The cognitive skills and emotional domain	Drowning	1	24
	Exam	lecture	The cognitive skills and emotional domain	Adultery and sodomy	1	25
		lecture	The cognitive skills and emotional domain	Blood, saliva and semen stains	1	26
	Questions	lecture	The cognitive skills and emotional domain	sodomy	1	27
	Discussion	lecture	The cognitive skills and emotional	adultery	1	28

		domain			
Discussion	lecture	The cognitive skills and emotional domain	<u>D n a</u>	1	29
Discussion	lecture	The cognitive skills and emotional domain	Coroner's reports	1	30
.11					
Course evaluation					
marks for each semester exam, 10 marks for the daily assessment, and 60 marks for the 15 final exam Total = 100 marks					
.12
